

## CAPTAIN COUNTDOWN

## TOTAL COMMAND

Texas Breeders:

First I would like to thank you all for breeding to Captain Countdown the past few years. Your support of the “**Captain**” has been well appreciated. As you know we lowered his stud fee to \$500 to try to make it affordable for local breeders and to support local breeders. We want to keep as many people as possible breeding in Texas to help support Texas Racing. We again have kept his fee at \$500 for this year payable October 1<sup>st</sup>.

We also have added another stallion to Double S Thoroughbred. Now standing is **Total Command** by **Forestry** out of the **Affirmed** mare **Northern Sanction** and he is standing for \$1,000 payable when foal stands and nurses. “**Total**” sold for \$500,000 at the Keeneland 2-year-old in training sale to Robert and Beverly Lewis, and trainer D Wayne Lukas. He won 7 of 23 starts with earning of \$122,565. With his strong pedigree we feel he will make a fine stallion in the state of Texas. He was privately owned prior and bred to a limited number of mares the first few years.

We would like to take this opportunity to offer you a breeding to **either** stud for \$500 for the 2011 breeding season due to the fact that you have supported us in the past. We feel this is a great value for either stud.

Please contact me now to book your 2011 breeding!!!

Thank you,

Delwin Lovell
